

Calendar 2022

After the JGHV calendar for 2021 with the images created by our *Stammbuchführerin* Mrs. Dornig has brought so many positive reviews, the JGHV would like to publish a calendar again for the coming year.

This time it is up to you. We want to design the new calendar for 2022 with your pictures on the subject of hunting dogs. Since we would like to design the calendar uniformly, we would like to have colored paintings. For this you can submit paintings in oil and/or watercolors.

The format should be A3 in landscape format.

Please submit your original paintings to the following address: JGHV office, Triftstr. 22 in 37327 Leinefelde.

Of course, you will get your original painting back after production.

With excitement and anticipation, we await your submission(s) by August 31, 2021.
